Description	EAN code

Easy to operate

Mood enhancing

Piëzo ignition

Safety stop

Tip-over safety switch

Moveable design

Piezo ignition: The patio heater can be easily ignited thanks to the piezo electric system.

Tip over safety switch: The tip-over switch will automatically shut the gas patio heater off when the unit is tipping over.

Full colour box: The unit is delivered complete (including auxiliary parts) in a full coloured box, displaying applications and operation information in several languages.

Castors: For easy movement the gas patio heater is provided with castors.

High capacity and user-friendly: With a adjustable capacity between 6,3 and 13 kW, this heater provides amongs the largest capacity range available in the market.

Comfortable heat: The "flame" has a large infra red component, which warms your skin in a comfortable and efficient manner.

Extra atmosphere by visible flames: The glaze of the fire emanates comfort and gives a pleasant view.

High efficiency reflector: Due to the latest engineered top reflector, the heat stays where it is meant to be.

Warranty: 2 year warranty.
