Piëzo ignition

Safety stop

Piezo ignition: The patio heater can be easily ignited thanks to the piezo electric system.

High capacity and user-friendly: With an adjustable capacity between 5 and 13 kW, this heater provides among the largest capacity range available in the market.

Tip over safety switch: The tip-over switch will automatically shut the gas patio heater off when the unit is tipping over.

Full colour box: The unit is delivered complete (including auxiliary parts) in a full coloured box, displaying applications and operation information in several languages.

Castors: For easy movement the gas patio heater is provided with castors.

Electronic ignition: Battery operated.

Modern design: The aesthetic appeal of the unit complements your patio, balcony or garden.

High efficiency reflector: Due to the latest engineered top reflector, the heat stays where it is meant to be.

Warranty: 2 year warranty.
