Description	EAN code

3 Fan speeds

Ultrasonic technology

Moveable design

Touch control

Timer function

Remote control

Programming: All settings can be managed quickly via the control panel on the front of the device.

Natural fresh air: Thanks to ventilation and misting, the water particles cool the ambient air whilst being perfectly diffused in the room.

Easy to move: Thanks to its casters placed below the device.

Adjustable ventilation speed: Positions are 'Slow', 'Medium' or 'Strong'.

Timer: The unit switches off automatically when the set time is reached 0.5-7.5 h.

Remote control: This unit can be operated with an user-friendly remote control.
