# Qlima

Extra long burn time

Designed for easy filling

Double safety burner

Extinguishing tool  
included

No spillage even when  
turned upside down

---

**Free standing:** This deco fire is suitable for any patio.

---

**Designed for easy filling:** The burner is designed with the mindset for ease of use, filling the burner with fuel is easy. Moreover, it has most easiest way of filling in the whole market.

---

**XL burning time:** The highly efficient burning of the fuel results in extra burning time. With its burning time of ||BurningTime|| minutes, this Qlima Deco Fire has one of the longest burning times in the market when compared to similar models.

---

**Qlima fuel safety:** Absorbs the ethanol. Spillage of the fuel is impossible, even when the burner is upside down.

---

**Double safety burner:** For more safety and prevention of spilling, the burner is equipped with an extra fuel chamber that captures excess fuel when filling.

---

**Qlima absorber:** Enhances the fire time. Compared to non-Qlima absorber, the burning time is 20-30% longer. The flame also burns more evenly.

---

**Bio ethanol:** Bio ethanol fire creates a warm and good atmosphere.

---

**Extinguishing tool:** A matching extinguishing tool is included. The fire can easily be extinguished.

---

**Use:** This product is designed for both indoor and outdoor use.

---
